8th Grade and Confirmation Faith Formation for 2020-2021

Praying that all our families are well, healthy and rested after our Covid summer.

Here we are 6 months after Covid has hit and we are getting ready to enter into a new approach to Faith Formation. Just as schools are adapting to social distancing, we at St. Charles-St. Ann's and St. Patrick's & St. Brigid's are also working on ways to keep all students safe in regards to Faith Formation instruction.

For the past 3 years, we have used an amazing video based program for Confirmation called Chosen. It is published by Ascension Press and they have set up an online curriculum and have a workbook for Chosen. They also have a Middle School curriculum as well for 8th grade

We will be sending out a new registration and when we receive all forms back, we will contact Ascension Press with the names and emails of those participating. They will send you a link to officially enroll and we will have workbooks for you to pick up. All of this will hopefully start in October. During the year, we will also be scheduling speaker sessions that can be streamed online and watched at your convenience.

If you have a son or daughter that has not been enrolled here at our parishes and would like to register for Confirmation or 8th grade, please email Terri Condon at condon.tmc@gmail.com

Praying for you and your families. Together, with God's graces, we will get through all of this.

"I can do all things through Christ who strengthens me" Phil 4:13

BE SURE TO LOOK THE PART

I used to coach my oldest son in soccer when he was younger. As he got older, he would go to tryouts for select and high school teams. I was no longer the coach, but I always shared with him one piece of advice before any tryout: Be sure to look the part. I told him that if he showed up looking like a soccer player, there was an increased chance of him being seen as a soccer player. If he showed up looking like a kid that plays soccer in video games as opposed to the real thing, he might not be taken seriously. As he grew older, that same advice was then applied to getting a job. It's advice I have heeded myself all my life. You

can even say it is like another common phrase: "Fake it till you make it."

As disciples of Jesus Christ, we certainly do not want to fake it, but we do need to look the part. The world looks at those of us who proclaim to be Christians to see if there is anything to this way of life. If they see us looking and acting like people transformed by Jesus Christ, they will be more likely to take Christianity seriously. If they look at us and see nothing different, then they can easily conclude that there is nothing different about Jesus Christ. He just becomes simply another religious figure of history. Can the world see the power of Christ in you? How will do you look the part?

—Tracy Earl Welliver, MTS

IF GOD IS GOOD, WHY IS THERE EVIL IN THE WORLD?

The problem of evil is perplexing. If God is all-powerful and all-good, why doesn't He stop bad things for happening? He must either not be all-powerful, or perhaps He's not very good after all. Human beings have faced the possibility of evil since the very beginning of our existence. In granting us free will, God gives us the ability to make free choices. God does not force us into moral perfection. We are not forced to love Him or to love our neighbor. We must make the decision ourselves. This means, of course, that we have the ability to choose against love.

One small decision of selfishness, jealousy, or pride may not seem so bad. But every decision — good or bad — is like a stone dropped into a still pond. The ripples extend much farther than the original stone. When decisions against love begin to compound, they affect families, neighborhoods, and nations. This is all the more reason for Christians to be faithful to our baptismal call to love one another as Christ has loved us!

May their souls and all the souls of the Faithful Departed
through the mercy of God rest in peace.

Respect Life

The Nebraska Catholic Conference has applauded the state's legislature after it passed a ban on dilation and evacuation (D&E) abortions, according to Catholic News Agency. D&E abortions are done in the second trimester and often result in the dismemberment of the unborn child. The bill-which specifically bans the use of clamps, forceps or similar instruments during abortions- passed 33-8 on August 13. Gov. Pete Ricketts signed it into law two days later. "Life has won today in Nebraska," said Marion Miner, associate director for Pro-Life and Family at the Nebraska Catholic Conference. The Guttmacher Institute reports that 11 states have passed bans on D&E abortions. We pray that other states may follow and recognize the horrific practice of abortion for what it is: The intentional killing of a child.
