Medical laboratories in our country's largest universities have been secretly or quietly conducting live baby abortions specifically to harvest pristine human tissues. Fifteenth Sunday in Ordinary time

Dear Lord,

**I have noticed how much I am on my phone,
computer, or other things that keep me from be-
ing present in the presence of others, especially
my family.**

**Please help me to unplug from technology or any
distraction and plug into real life relationships.**

Amen.

Family Perspective

**Jesus sent out His apostles without many
“Things”**

because THINGS distract.

**We collect, argue about and protect our “things.”
Garage sales only transfer “things.”**

**We even ignore each other
because we have “things” to do.**

**What “things”
are separating you
from your family?**
