Respect Life

Current Advocacy Position

The USCCB supports policies that protect human life and dignity, strengthen families, encourage and reward work, preserve a safety net for the vulnerable, and build public/private partnerships to overcome poverty. Federal policies should form a "Circle of Protection" around programs that serve poor and vulnerable people in our communities and avoid placing additional burdens on people and families struggling to live in dignity.

Amen*

A Family Perspective

*Jesus tells us today "you are my witnesses" and guarantees the "promise of the Father" to "clothe us with the power to accomplish this mission. It is not worldly power which dominates and manipulates. It is the power of the Kingdom of God to live in peace, forgiveness, acceptance, compassion, service to others, love of enemies and care for the poor and defenseless."
