## **Mondays 6:00PM – 7:30PM**

**Caring... it's not the hard part of caregiving. The Good News Center is hosting a FREE and open to the public monthly Caregiver Support Group, the third Monday of the month** (except holidays) **from 6-7:30 PM**, facilitated by Susan Read, MS,RN. This group provides a source of emotional and social support and resources for those caring for a loved ones.

Our support group offers self-care strategies and tools to reduce stress and enhance coping. We welcome adults, spouses, family members or friends in the caregiver role to attend. For those who prefer to do so, the program is also being offered via Zoom.

**Please call The Good News Center Monday-Friday 8:30 AM-4:30 PM to register for both in-person or virtual meetings or email us at [info@thegoodnewscenter.org](mailto:info@thegoodnewscenter.org).**

On the weekend of August 12-13 there will be a 2nd collection for the National Religious Retirement Fund. As you know our diocese has been very fortunate to have been served by many religious men and women. Unfortunately we currently have more retired religious than we have working religious. Please consider making a donation on the weekend of August 12-13 to help offset the expense incurred with our many retired religious men and women.

Eternal Rest grant unto them O Lord, and let perpetual light shine upon them. May their souls and all the souls of the faithful departed through the mercy of God rest in peace. Amen

Susan Zorn

## Family Perspective

Bud Ozar

At the Transfiguration the disciples saw a different side of Jesus. All of us have 'another side' which we reveal only to those we trust. A family is the sacred place where we can be transfigured to be our truest self.

For the week of July 30-August 5th, sanctuary candles have been lit in loving memory of Germaine Corbett/ 1 year anniversary

We have a new home!!!

Faith Formation this school year will be at Bishop Ludden. Registration will take place at the beginning of September.

More details to follow, but wanted to get the good news out !!

We will be in need of catechists for grades K-8 Including First Reconciliation and First Eucharist. If you would like to be a part of the team, please contact

Michael Goodnough 315-475-2185

Maureen O'Sullivan 315-468-1803

It's a great way to share your faith and time with the children of our parishes.

## The Transfiguration of the Lord

What is Christianity finally about? These days if you ask almost anyone who doesn't know the Bible you'll probably hear an answer like this: "Being a good person" or "following the golden rule." No offense to the golden rule, but our faith is simply much stranger than that. This week's feast of the Transfiguration of the Lord is a luminous example of this. Jesus becomes radiantly and overwhelmingly beautiful. The glory of God literally shines forth from his body and even his clothes. Here we see that Christianity is not mainly a moral system, but a relationship with God in Christ, one that finally makes human beings gloriously beautiful.

Now we can see our good and bad deeds in a new and de-centered way. Our morality isn't about a heaven or hell scorecard. It's about lives open (or closed) to transfiguration, lives capable of revealing the glory of God in Christ to the world. Spouses, children, friends, co-workers, priests, consecrated women and men, and so on — we are all called to let the beauty of Jesus make our lives beautiful, little by little. His beauty in us is the center of our faith.

The weather was lousy, pouring rain at times but it didn't dampen the spirit! We had some laughs, worked hard and loaded an entire dumpster in 2 hours.

Thank you, thank you, thank you!!

#### Pro-Life Corner

Bishop Robert E. Barron of Winona Rochester, Minnesota, chairman of the US Conference of Catholic Bishops' Committee for Laity, Marriage, Family Life and Youth, blasted the US Food and Drug Administration's July 13 announcement that it had approved the sale of a birth control pill without a prescription for the first time in the United States. "this action by a government entity flies in the face of responsible medical practice and concerns for women's health," Bishop Barron wrote in a release issued by the USCCB. "Claims that the benefits of this action outweigh the risks are unfounded, especially in light of strong evidence of the many harmful risks of hormonal contraception to women's health. Allowing this contraception to be dispensed without the supervision of a doctor and contrary to the mounting evidence of many harmful side effects puts the health of women at grave risk.
