With the installation of the New Boiler comes the removal of the old. Starting on Monday March 25th they will begin the process of removing the old boiler and all the plumbing that goes with it. Because this is a very old building there is asbestos that will be removed from the basement. There is no danger to anyone who will be in the Church however the basement including the restrooms will be sealed off for about 2 weeks. We do apologize for any inconvenience this may cause.

Third Sunday of Lent

A Family Perspective by Bud Ozar

3rd Sunday of Lent

The owner of the fig tree was impatient because the tree did not live up to its expectations. Imitate the gardener and give them more time and help. Don't cut them out of your life. Love asks us to be connected, not productive.

3rd Sunday of Lent

Jesus said to them in reply, "Do you think that because these Galileans suffered in this way they were greater sinners than all other Galileans? By no means! But I tell you, if you do not repent, you will all perish as they did!" *Lk 13:2-3*

Lord Jesus, heal me.

Heal in me whatever you see needs healing.

*Heal me of whatever might separate
me from You.*

*Heal my memory,
heal my heart, heal my emotions,
heal my spirit, heal my soul.*

*Lay Your hands gently upon me
and Heal me through Your
love for me.*

BAPTISM: Usually scheduled for Sunday during or after Mass. Parents should first contact the pastor for an appointment and also plan on attending one session of our Baptismal Preparation Program, which explains the significance of the sacrament and each part of the Baptismal rite. Many parents may find it more convenient to attend this session during pregnancy rather than after the birth of their child. We rejoice with joy in your happiness!

MARRIAGE: Congratulations! We want to do everything we can to make this day special for you. Couples should be members of the parish and make an appointment with the pastor at least six months before the desired date of the wedding. Participation in some form of Pre -Cana conference is necessary.

HOSPITAL: Please notify us if you or a member of your family enters the hospital so that they will be able to receive the healing Sacraments of Anointing of the Sick and the Eucharist.

HOMEBOUND: There may be times when you may not be able to get to Mass because of illness or the weather. If this is the case, please let us know so that we will be able to bring you Communion. Also, if you know of anyone who is permanently homebound, please let us know so that we will be able to schedule frequent Communion visitations.

NEW PARISHIONERS: Welcome to our community! Please register at the rectory as soon as possible

What is the proper way to carry the Holy Eucharist

If you are bringing Communion to the homebound or to a loved one, you need to use sacred vessel known as a pyx. A pyx is the small round metal case (usually gold-plated) used to carry a few hosts. Other containers such as cloth or tissue paper should not be used. You can borrow a pyx from Church at anytime. Please see either Fr. Kevin or Michael before or after Mass. If you have borrowed a pyx in the past and are no longer in need of it's use, please return it so others will be able to use it.

As you know, it is a great privilege to serve as a minister in the church. We always welcome new ministers. If you would like to be trained to serve as an altar server, lector, or Eucharistic Minister, we welcome and encourage you to do so. Please contact the rectory for more information
